

Mauch Studio Parent Guide

Hello & Welcome

Welcome to Mauch Art Studio. We are a structured instructional studio offering creative classes in art, writing, science-based exploration, and drama for children, teens, and adults.

Our focus is skill-building through guided instruction in a supportive, creative studio environment.

Madison Mauch

How Our Classes Work

All programs are enrollment-based and offered through scheduled classes or workshops. Students register for specific classes based on age, interest, and skill level.

Each class is instructor-led and focuses on a specific creative skill or subject area through demonstrations, guided practice, and hands-on projects.

Studio Environment

Our studio is structured to support focused learning and creative development.

Students are expected to participate respectfully, follow instructor guidance, and engage in the creative process.

Attendance

Enrollment is required for all classes and workshops. Consistent attendance supports learning progress. If a student misses a class, families should follow studio communication procedures.

Arrival & Dismissal

Students should arrive on time for their scheduled class and be picked up promptly at the end of their session.

Classes run on scheduled instructional time blocks rather than open drop-in attendance.

Materials

Most classes include standard materials. If additional supplies are needed, families will be notified in advance.

Communication

Studio updates, schedules, and announcements are shared through email and the studio website.

Philosophy

Mauch Art Studio is a structured instructional environment focused on creative skill development through guided, instructor-led classes and workshops.
